

Pellet Zone provides new web site features for all buyers and sellers of biomass

✓ More Information,

✓ Greater Control

✓ Better Opportunities to Buy And Sell Biomass

New Feature	Benefit
Using <b>new filtering options</b> including; Biomass Type, Price, Location, Quantity, Quality, and much more!	<b>Locate Trading Opportunities Quicker</b>
Sellers and buyers can <b>better describe their product</b> or purchase requirements, including product analysis (moisture%, ash%, NCV, Density etc...) and also include a picture.	<b>Buyers and Sellers understand opportunities more quickly</b>
New date based controls automatically <b>remove old opportunities</b>	<b>All buy/sell offers are LIVE</b>
Buyers & sellers can now return and <b>update their offers or requirements</b> – e.g. increase tonnages, change price and availability, update analysis and much more	<b>Maximizes buy/sell opportunities</b>
<b>Fast-Track Enquiry</b> Facility enabling buyers and sellers to email Pellet Zone trading staff with just one click from the product enquiry screen	<b>Quick and easy to make enquiries</b>
<b>Live Feedback</b> – you will now see how many times your buy/sell offer has been reviewed by visitors to the web site - invaluable information!	<b>Better information = better results</b>

Benefit from the new features at [www.pellet-zone.com](http://www.pellet-zone.com)

#### Notes for existing members of the Pellet Zone web site

If you previously registered with Pellet Zone your personal & log in details are unchanged.

If you previously entered a product **Wanted** or **For Sale**, you will now be able to return to that product and add some more information about it! We recommend that you do this as soon as possible to increase your chances of success! You can also suspend or delete a previous entry you have made if it is no longer available.

#### About Pellet Zone Ltd

Pellet Zone is a dedicated biomass brokerage service – bringing buyers and sellers together to trade in all forms of biomass including wood chips and pellets, as well as biomass from energy crops and biomass waste.

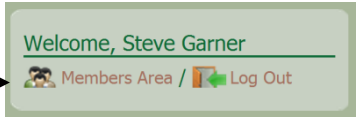

Pellet Zone uses its web site to manage buy and sell information but all actual trade is assisted by our trade team. We understand that a personal service is vital to finish a deal.

The new features in web site are available NOW to registered and logged in members. Registration is EASY and FREE and can be done in the web site in just two minutes!

**Using the New features**

The New features are accessed in your Management Area. This is accessed from the **Members Area** option in the top right of the home page.

Inside the Members area you will see the page below...

Log into the web site and Click on the **Members' Area** link to see the new options – Click this option whenever you want to return to the members' options page.

Add a new buy/sell opportunity and include analysis, urgency, terms, a picture (if selling) and much more.

Manage the Buy/Sell opportunities you previously entered into the web site and see how many times they have been reviewed

View existing buy/sell opportunities – filter and sort your choice to target just the entries suitable for you.

Update your personal information including any change in email address etc

If your search returns multiple results pages you can click here to move through them.

Clicking on any the column headings will sort your list. For example; by price or Location. One click will sort from High to Low, whilst a second click will sort from low to high.

New Filtering options enable you to select only the biomass opportunities of interest to you. Just select from one or more of the drop down options - and then hit the **Submit** button. Your results are shown below

You can see **Full Details** about any of the opportunities listed by clicking on the green Arrow

You can send your enquiry about any of the Buy or Sell opportunities directly to Pellet Zone – simply by selecting the **Enquire** option.

If you need any help using the new web site please call **+44 (0)1362 652 960**
